1. INTRODUCTION

1.1. Rally Latvija 2011 director's speech

Rally „Latvija 2011“ director:
Baiba Rozina

Rally Latvija offers congratulations on the 2011 season's final race! Continuing the tradition of the previous year rally Latvija to develop an event not only in the boundaries of one district, but to unite several, we have visited Kuldiga, Tukums, Engure counties and Jurmala this year. Autumn is approaching with rapid steps – harvest time, when the performance of the whole year can be seen in its entirety. Gradually in the fight between darkness and light, darkness takes the upper hand – as nights become longer than the days, let's use this changing of time in a positive way with a two day rally competition, in unpredictable weather conditions and a multi-staged track.

We wish you a lively and interesting race, not only to the participants but also to the spectators, as in the rally this year, the diversity of each region is different and the total number of stages is 13 in light and at night. See you on 24 and 25 September at the rally Latvija2011!
